The first few months of 2022 brought chilly temperatures and lots of buyers to Westover Hills. Interest in the neighborhood is increasing every day but inventory is at an all-time low, creating bidding wars and escalating prices.

If you are considering selling your home, I would be honored to help you best position your property and negotiate the most competitive offer. It has never been more important to have a seasoned agent on your side!

# Meet your WHNA Board!

Elections for the Westover Hills Neighborhood Association board were held recently and we'd like to thank these folks who have volunteered to help steer the WHNA through 2022. This is a great way to give back to the community you love, so consider joining the board when elections are held in December.

## **MILES KELLER** PRESIDENT

I've lived in Westover Hills for 6 years, and share a household with my wife Devyn, son Ewan, and our pets Juno (dog) and Calypso (cat). I'm big into conservation and creating habitats for life both big and small, and really love our neighborhood for the abundance of life right outside our doors. On top of that, I believe that civic engagement and growing the bonds of our community are critical in building a better society and world at large. I originally stepped in to contribute in previous years as Governance Chair, Secretary, and Vice

President, and hope to be a resource for the neighborhood as President this year. See you around the 'hood!

## **VIRGINIA BERTHOLET** VICE PRESIDENT

Virginia grew up in Staunton but has lived in NYC & LA, working in the film and advertising businesses. Returning here 25 years ago to work at The Martin Agency, she has lived on the fabulous block of 4700 King William for over 18 years. Now freelancing and teaching film at VCU, she works from home and loves access to the river and park, as well as the commercial district on FH Ave. She shares her home with 2 dogs who love the neighborhood too.

## **FRAN ECKENRUDE** SECRETARY

A native Virginian, Fran returned to Virginia from Kalamazoo, Michigan after a career in the pharmaceutical industry. Several pre-move scouting

visits identified the Westover Hills neighborhood as one of Richmond's gems. The move to Sylvan Rd in August, 2021 has not disappointed. Friendly human and canine residents, charming homes, walkable streets and nearby river parks make WH an ideal place to live. Fran joined the WHNA Board to meet neighbors and participate in neighborhood activities, especially supporting neighborhood schools.

## **MELISSA BUTLER** TREASURER

Melissa has lived in Westover Hills for the past 30+ years. She recently retired after 24 years with the Federal Reserve Bank of Richmond and has been active on the WHNA Board since 2010 as Treasurer. In her free time, she likes gardening, cooking when family visit from Sweden and New England, reading historical novels from the library, biking and walking in the neighborhood and city parks. ■

## **SIGN UP TO VOLUNTEER!**

The WHNA and its wonderful events are made possible through the volunteer efforts of your neighbors! If you're interested in helping out with the neighborhood picnic, beautification or getting notified when there are new opportunities, sign up at <https://bit.ly/WHNA-volunteer> or use this QR code!

## **WHNA BEAUTIFICATION GROUP AND PROJECT START-UP**

Last summer we were able, with the help of WHNA volunteers, to spruce up the medians on Westover Hills Boulevard around the brick markers and area near Forest Hill Avenue. The group successfully dug up weeds, trimmed shrubbery and planted flowers in three areas along the Boulevard. We are requesting volunteers (especially retirees) consider joining a special WHNA Beautification Group which could organize and oversee projects throughout the neighborhood utilizing other volunteers who may be willing to donate volunteer hours to assist with these projects. In previous years, WHNA beautification projects have been organized and facilitated by one individual (Robert Kelly). He would like to oversee an effort to involve others who are interested in working on projects which make our neighborhood a better place to live. If you are interested in joining this group, please email Robert at [robmKelly1@gmail.com](mailto:robmKelly1@gmail.com) and he will add your name to our beautification group.

We would like to "kick off the year" by organizing a beautification project on the Boulevard in May. We will trim, mulch, and plant new flowers at the markers and area at the median location at the Boulevard and Forest Hill Road. If you are interested in assisting with this effort on a Saturday or two, please send Robert Kelly a message and he'll coordinate the specifics with all who send him a response on their willingness to help. ■

# FOREST HILL PARK HAPPENINGS

## DAVID TATE DAY OF SERVICE WAS HELD AT FOREST HILL PARK ON MARCH 19

By Chris Catanzaro, President, Friends of Forest Hill Park

David Tate was an arborist in Richmond who passed away in 2013 at the age of 36. Subsequently, an annual day of service was established in his memory. Arborists from a number of tree care companies participate in this event every year, along with Richmond Tree Stewards volunteers, other community volunteers, and staff from Richmond Parks and Recreation. This year the park selected for tree maintenance was Forest Hill Park. It was exciting to see so much work performed in the park in just four hours. Five volunteers (Tree Stewards and others) did structural pruning and right-of-way clearance pruning on nearly forty trees, mostly small to medium sized ones, between Forest Hill Avenue and the Stone House. The Board of FFHP is extremely thankful to all the companies and organizations involved in this effort, and to all the professionals and volunteers who accomplished so much. Their efforts have made the park a safer place for all those who work and play in it. Furthermore, the work has improved the aesthetics of the front portion of the park considerably.

The canopy was raised on this Southern magnolia to improve safety and aesthetics. Pictured above is Cathy, one of the students/volunteers in the 2022 Tree Stewards class.

A large piece of tree limb is being lowered from the top of one of the trees near the Stone House.

# NEIGHBORHOOD WATCH

*By Debbi Ingersoll*

Happy Spring Ya'!!! It's great to be able to get out and enjoy the nice weather we've been having and seeing our neighbors out and about! Unfortunately, this also brings out our pesky car door handle checkers!

Don't become the victim of someone rifling through your car! Please remember to lock your car doors, remove any valuables (or something someone may perceive as something of interest such as \$10 drugstore sunglasses, loose change and the like, or even your car!). And don't

forget to lock your houses, gates, sheds and garages.

Be aware of what's happening in the neighborhood, especially on your block. Get to know your neighbors so you start to recognize when something might not be normal so you can question it.

If you see something, say something. Call 9-1-1 or the non-emergency number 804.646.5100.

Wishing everyone a happy, healthy and SAFE spring! ■

# MESSAGE FROM KRISTEN LARSON

*Fourth District City Council Member*

I hope everyone is healthy and well. As we enter Spring, two very important Richmond City Council processes - the 2021/2022 Richmond Decennial Voter District Redistricting and the FY23 Richmond Government Budget - are underway. City Council will be taking public comments on the draft redistricting plan through April 25th. Redistricting is critical to ensuring equality of representation for all voting residents in elections for City Council members, Richmond Public School Board members, and the mayor. Please visit Richmond's Redistricting webpage (<https://www.rva.gov/richmond-city-council/redistricting>) to learn more about the process, view upcoming meetings, and share your valuable input.

The next few months are a busy time for Council as we analyze and deliberate over the mayor's proposed FY 2023 Richmond Government Budget. I invite you to follow our meeting schedule posted online (<https://www.rva.gov/richmond-city-council/richmond-budget>) and engage with my office on topics and specific budget items that are significant to you. I will be sharing my priorities as well as general budget updates in newsletters and district meetings.

The city is accepting new applications for the Real Estate Tax Relief for the Elderly and Disabled program. Residents are eligible for tax relief or a tax freeze if, as of 2021, they:

- Are 65 years of age or older or permanently disabled;
- Own and live in their own home;
- Have an annual household income less than \$60,000;
- Have owner and spouse assets totaling less than \$350,000 (excluding the value of their home and one acre of land); and
- Are current on their real estate taxes.

Applications for first-time applicants and hardship cases will be considered through June 15th. Please note that recertification applications for current program participants were due March 31st. To learn more about the program, download application and recertification forms, and read a helpful FAQ, visit [www.rva.gov/finance/assistance](http://www.rva.gov/finance/assistance). If you or a loved one is unsure of whether you should apply, recertify, or reapply call (804) 646-6015. ■

## Westover Hills Elementary School Update

The Westover Hills PTA is seeking funding for the creation of a mural in collaboration with Hamilton Glass. Please consider a donation to fund their efforts! Donations are tax-deductible and can be made on-line at: <https://whesbeavers.memberhub.com> or you can write a check to Westover Hills PTA and place it in the mailbox at 4718 King William Road. In both cases, please note in the comment section that your donation is for the WHES mural.

A WHES Yard Sale will be held April 30 (rain date May 21) on the school grounds. Volunteers and donated items are welcome. People can email [yardsale@westoverhillspta.org](mailto:yardsale@westoverhillspta.org) if they have items to donate or would like to volunteer.

All interested individuals can join the WHES PTA for \$10 per year at the website above. It is a great way to stay informed about fundraising and other activities.

Many thanks to our neighbors who have supported Westover Hills Elementary School in recent months. Thanks to your generosity, we provided thirty-five Food Lion gift cards to families over the Holiday break, numerous popular books for the Book Vending machine, clothing and toiletries for the CIS coordinator to distribute, and boxes of Valentines cards for kids to give in a program focused on friendship and love.

A special thanks to Fran Eckenrode, Louise Freedman, Theresa Gibbons, Pixie Hamilton, and Gil Lugbill for the many hours preparing and assembling 375 packets for Read Across America Day!

# PRESIDENT'S COLUMN

by Miles Keller

**S**pring is definitely upon us! I know any of you who are sensitive to the early pollen (myself included) can literally feel it in the air. However, the green sheen does mean new life growing all around us, and that's something to celebrate and enjoy! Animals coming out to forage, those first garden sprouts tucked neatly into pots and beds, and folks taking advantage of the sunshine and warmth. It is one of my favorite times of the year to walk with the family and see what everyone is working on.

As you might be doing some spring cleaning, put aside those boxes for the Yard Sale, which will be on June 4th this year. We've coordinated that date with Forest Hill and Woodland Heights Neighborhood Associations to draw visitors from all over the city,

so be prepared for some bargain-hunters! I will be posting a form to social media, our website, and the email distribution list where you can share your address for public posting as a yard sale destination.

Along with making time to get outside and dust off some old items for the yard sale, I encourage everyone to go check out the South of the James Farmers Market at Forest Hill Park, currently on Sundays from 10:00am-1:00pm. Along with straight-from-the-farm produce (which decreases our collective carbon footprint and supports our local small farmers), there is always amazing food, drink, and so much more from local vendors. Our support is integral in encouraging the vendors and coordinators to keep working

to maintain and grow this wonderful resource for our community. I hope to see you all out there!

Finally, while we are working to have some in-person monthly meetings this summer (keep an eye out on Facebook and email for more info), See the pinned post on the WHNA Facebook page or our email updates for the link and time and for links to past meetings. It's a great way to learn about opportunities for folks to get involved outdoors, helping to conserve and create in support of our neighborhood and the greater Richmond community.

Thanks, and see you around the 'hood!

## WESTOVER HILLS RESIDENTS DID IT AGAIN!

*By Dick Bragg*

On December 23rd Lynn Greer (on Riverside Dr) and her kids loaded up two SUVs and hauled nearly 1,000 pounds of food to Feed More, Richmond's food bank. And that delivery provided over 1,000 meals to those in need.

One in ten central Virginians is food insecure, meaning they often run out of food before their next pay check arrives. And that number grew during the worst part of the pandemic.

So thank you to Lynn and her kids, and thanks to each of you who donated food items.

We hope Lynn & family will keep this going for many more years. ■
